#### **Road Rally Announcement:**

**Mark your calendar now for Sunday July 16<sup>th</sup> at 1:30 PM when we hold the 2017 Pioneer Ridge Road Rally. The rally is limited to the first 20 teams to sign up. Sign up begins July 3. This year's rally is a combination of the best parts of a map orienteering exercise, a self guided rally, and a scavenger hunt.**

**Each team (up to 4 per car) will be provided a map of Lorain County. (If you want extra maps they are available for free at the vehicle registration office at Chest Nut Commons,)**

**There will be three master maps in the Multi-purpose room with 10 locations identified. You will copy those locations on your map (here is where the first error can occur). Once you are satisfied you have the proper locations on your map you will go to your car and after giving your odometer mileage and time to the starting officials...you will depart. Cars will depart every 2 minutes starting at 2 PM.**

**You have 2 hours from when you start to visit as many of the 10 locations, using any route you choose (this could be error number 2). The locations on your answer sheet are in no particular order...so choose you own, shortest route. Each location has up to 5 questions about details of that location.**

**The team which returns under the two hour limit with the most number of correct answers will be this year's winner. If you exceed the 2 hour limit you will be disqualified (sorry, but rules are rules!).**

**Should there be a tie...the team with the lowest mileage will win. Should there still be a tie...the team with the shortest time wins. This is not a race...there are a total of 24 questions. Locations furthest from Pioneer ridge have the most questions...so here is the risk reward...risk disqualification for time...but get the reward of more answered questions....what to do, what to do?**

**The rally will be followed by pizza and refreshments. Cost is \$5.00 per person.**

**Questions contact the Rally masters...Greg or Edie Dore.**
